The west - wild and unspoilt

The west of Majorca, around the massif of Es Tramuntana is dotted with old villages full of local character. At the foot of the mountains, set amid endless orchards and vineyards, are the romantic villages of Esporles, Puigpunyent and Fornalutx, among the most beautiful villages in Spain. History is ever-present in Sóller, Deià and Valldemossa: this is Majorcan atmosphere at its purest. If you are looking for peace and quiet or unspoilt nature, this is the place for you.

Some of the most beautiful properties are to be found here ? from high-quality houses in the country to stylish village dwellings. Typical local architecture has been carefully combined with modern amenities. Most of the breathtakingly beautiful west coast is a protected nature reserve and not built on.
